DX at the Dayton Hamvention

Hundreds of DXers and thousands of amateurs took over the town of Dayton last weekend for the 35th Hamvention. As usual, there was plenty of DXcitement.

The First Annual DX Dinner on Friday night was so successful that undoubtedly it will be repeated. Keynote speaker Bob Locher W9KNI (of Bencher Paddle fame) hilariously recounted his CW DXCC odyssey, from his first JA to the top of the Honor Roll. Bob's definition of "needing it bad": "I need it, and none of my friends need it!" For more of his adventures, see his entertaining book, "The Complete DXer." And kudos to the host Southwest Ohio DX Association.

The Saturday DX forum included the induction of Jim Smith VK9NS into the CQ Magazine DX Hall of Fame. Jim's amateur career spans almost 40 years from his first operations in the Nicobar Islands, to his regular 14220 DX net. Jim is probably best known for his 1984 Heard Island DXpedition, well documented in his wife Kirsti Jenkins-Smith's book, "Heard Island Odyssey." Congratulations on your induction into the CQ DX Hall of Fame, Jim!

The DX forum was interrupted by a short evacuation, when an overloaded plug in a nearby exhibit booth caught fire. No real damage, fortunately. Even more exciting was the discovery of an apparently live hand grenade in the massive flea market. (You always knew you could buy anything in the Dayton flea market!) Just think, a new way to bust DX pileups? how to deal with TVI complaints? The grenade was escorted off the premises without incident. And on Sunday a failed power transformer plunged the main arena into near-total darkness. The Hamvention is always interesting!

On a more serious note, John Thernes WM4T discussed the progress of his landmark tower case. John has been trying for years

to put up a 70' tower and TH7 at his home in Kentucky, and has amassed legal expenses of more than \$15,000 thus far. Thanks in part to PRB-1, he won his recent appeal, and now the city of Lakeside Park must decide what constitutes a "reasonable" antenna.

To help John, The DXers passed a hat and collected more than \$250 for the North Kentucky Tower Fund. DXers who wish to add their contributions may send them to the fund at P.O.Box 17721, Lakeside Park KY 41017. The DX Bulletin is contributing; will you?

Finally, action at the DX Hospitality Suites in the Stouffers Hotel was hot and heavy. Again this year the Kansas City DX Club earned top marks for the best suite, with the Southeastern DX Club close behind. **Important note:** The 1987 Hamvention coincides with a local graduation, so rooms at Stouffers will be even harder to get. If you think you might want to stay there, send one night's deposit (\$65 single, \$75 double) for April 23-25, 1987 NOW! Address: 5th and Jefferson, Dayton OH 45402. Mention the Hamvention.

Jim Smith VK9NS operating VK0JS from Heard Island. Jim was inducted into the CQ DX Hall of Fame at the Dayton Hamvention.

Thanks KH6BZF.

Very low absorption April 18-22 produced some spectacular band conditions on 20 meters, as shown by the extensive Bandpass in this issue. The low bands didn't fare so badly either, but fewer DXers are on this time of year. Even 10 meters has been open, according to TDXB's Novice reporter. Suggestion for "opening" 10: disconnect the keying monitor from your rig. Program a CQ DX and a long space in your memory keyer. Put the rig on VOX, tune to a likely frequency, turn up the receiver volume, and set the keyer for continuous repeat. You'll send a series of CQs with no sound in the shack except the TR relay. If someone calls, he'll come right through! Let's take advantage of what band openings do exist!

On Now or Coming Soon

Mayotte FH DXNS says J28DS will operate as FH/F6DZD until May 30. QSL F6DZD. RTTY, too.

Tromelin - FR/T DJ6JC hope to be /FR/T May 10, according to Inside DX.

Rhodes - SV5 Frank DL7FT will be /SV5 until May 23. 14195, 21295, 7075, and 3800. The Greeks will go bananas over this, as they are not happy with Frank's alledged Mt. Athos operation last month. The locals claim he has no valid SV license. Worth listening to this one for the fireworks!

Cyprus Bases	ZC4HMS, ZC4ESB active; ZC4MR with W7PHO		
		Contests	
		Armadillo Run SSB May 3-4	
		Russian CQ-M May 10-11	
		ARI International May 17-18	
		CQ WPX CW May 24/25	
		DXCC Golden Jubilee Award	
		The 50th anniversary of DXCC is in September, 1987. The League's Membership Services Committee will decide how to mark this occasion at their Mid-May meeting in Rochester, NY. Some of the possibilities being considered are awards for working 100 countries during that month, or during the entire year. Do you have a suggestion for how to mark this event? Send it to the committee members immediately: K0PGM, N2YL, W4UG, and AB8P (addresses on page 8 of any QST.) TDXB's suggestion: use the present DXCC Country List Criteria to clean up the entire DXCC list, and use that for a special award for the entire year 1987. How about it?	
Eq. Guinea - 3C	3C1MB 14236 23-24Z		
Falklands - VP8	VP8BGO, VP8WTW active		
Fr Josef Land	UA10T+UV100 - see Bandpass		
Ivory Coast - TU	Try 14183 net at 1900Z		
Kermadec - ZM8	ZL80Y until late summer		
Lebanon - OD	EI9FG/OD5 for a few months		
Macquarie - VK0	VK0SJ 09-1000Z 3795, 7205		
Mongolia - JT	0300-0230Z on 20m
